Wedding Catering Things To Note

- Wedding special: Book us for both your rehearsal dinner and reception and receive 10% off your rehearsal dinner!
- We require a \$300 deposit to secure your wedding date. Please contact Emmalee to arrange payment.
- Tastings are \$75 up front and come with 2 entrees and 3 sides. If you go with us for catering, the \$75 will be taken off the final bill.
- Weddings have an 18% service fee which includes the buffet set up, staff to serve at the buffet line, and tear down. This may increase if you choose to add additional food, which would require more staff to serve the food.
- A sales tax of 7% is added to final bill.
- We can provide plates, silverware, napkins, and cups for \$.75/person. These are basic white chinet plates, sturdy clear plastic silverware, clear cups, and disposable napkins. You are able to upgrade to clear plates for an additional \$.50/person.
- Payment must be made in full 14 days prior to the wedding. You are able to make payments.
- Final numbers need to be turned in 20 days prior to the wedding. We encourage couples to increase those numbers by about 12-15% to account for those that did not RSVP.
- Unfortunately, the state of Iowa will not let us give you the leftover food. This is due to temperature control regulations and the risk of food going bad if it's not properly stored. We wish we could let you keep it because we hate food waste!
